2. Insurance Guarantees, Coverage Levels, and Prices for Determining Indemnities

(a) In addition to the requirements of section 3 (Insurance Guarantees, Coverage Levels, and Prices for Determining Indemnities) of the Basic Provisions (§457.8), you may select only one price election for all the sugarcane in the county insured under this policy.

(b) Instead of reporting your sugarcane production for the previous crop year as required by subsection 3.(c) of the Basic Provisions (§457.8), there is a lag period of one year and you are required to report production from two crop years previously, e.g., 1994 crop year production must be reported by the required date for the 1996 crop year.

3. Contract Changes.

In accordance with section 4 of the Basic Provisions (§457.8), the contract change date is June 30 preceding the cancellation date.

4. Cancellation and Termination Dates

In accordance with section 2 of the Basic Provisions (§457.8), the cancellation and termination dates are September 30.

5. Insured Crop.

(a) In accordance with section 8 of the Basic Provisions (§457.8), the crop insured will be all the sugarcane in the county for which a premium rate is provided by the actuarial documents:

(1) In which you have a share;

(2) That is grown for processing for sugar or for seed; and

(3) That is not interplanted with another crop, unless allowed by a written agreement.

(b) In addition to the crop listed as not insured in section 8(b) of the Basic Provisions (§457.8), we will not insure any sugarcane:

(1) That was damaged the previous crop year to the extent the sugarcane is unable to produce the yield used to establish the production guarantee for the unit for the current crop year; or

(2) That exceeds the age limitations (by variety, if applicable) contained in the Special Provisions, unless we agree in writing to insure such acreage. An agreement in writing will not be provided unless, after an appraisal, we determine that the crop is able to produce at least the yield used to establish the production guarantee for the unit for the current crop year.

6. Insurable Acreage.

Section 9(a)(3) of the Basic Provisions (§457.8), is not applicable to the Sugarcane Crop Insurance Provisions.
